Aloha Nicole,

Here is the revised slide deck – see slide 5 timeline changes and slide 8 additional language from Lene. Note that we are still trying to track down the reference to the 2015 GWFM Scope of Work approval which included a Navy commitment to complete a tracer test (the placeholder is highlighted in green on the 2015 section of the timeline slide and needs to be confirmed before final inclusion).

Thanks again for our call today.

Aloha 6 & 7 team,

Attached please find DOH edits to Matt's draft Day 1 presentation. These comments are intended to convey the scale of our concerns with the current GWFM, and these points be delivered by our SMEs or otherwise as we discuss at 10 am.

Looking forward to our 10 am call.
